
Title: LEON'S NOTE

Author:

Honor be to thee, dear
reader. This piece of
parchment is mine only
means of communication
with thee. Mad Iolo
cruelly removed my
tongue, that I might lead
by example and not by
words! I am so
disenchanted... I cannot
bear the fact that I
could not save the city
from further plagues.
Moreover, there is
absolutely no sign of the
return of Batlin. What is
going to happen? Thou
shouldst tell me, I beg of
thee. -- Leon.
